## Compete. Donate. Lip Sync for the Cause.

**Saturday, August 17th, 2024  
6:30 - 9PM**

Capitalizing on the popularity of the National TV celebrity show “Lip Sync Battle,” the Cancer Survivors Park Alliance will hold its inaugural Sync for Survivors lip sync battle and fundraising competition on Saturday, August 17th, at 6:30 pm at the downtown Greenville Theatre on College Street.

The unique event will include local survivors, Upstate celebrities,” and a diverse group of community leaders and CSPA supporters lip syncing and dancing with their teams to many of your favorite tunes! Performers will compete for the individual and team fundraising titles and will be coached by professional dancing instructors from Lindley Mayer Gulledge’s SHOCK dance theatre. Unlike the average charity party, Sync for Survivors will be an engaging and interactive event.
