

LOUIE SAGEDY

Louie Sagedy has been performing as a singer/guitarist since his teenage years. His musical repertoire now matches his grey hair; mostly beloved 60's and 70' tunes such as The Rolling Stones, the Beatles and Van Morrison.

Louie likes to put his own twist on classic favorites. He has played in just about every venue in the Upstate and beyond.

Louie is gifting his performance for the event in honor of his lifetime friend Anna Long Skerman who passed away from cancer at too young an age. Her memory lives on through her husband Dan and amazing children Georgia and Joseph.
