

SYNC FOR SURVIVORS

Compete. Donate. Lip Sync for the Cause.

Saturday, August 23rd, 2025
6:00 - 9:00PM

Capitalizing on the popularity of the National TV celebrity show “Lip Sync Battle,” the Cancer Survivors Park Alliance will hold its second annual Sync for Survivors lip sync battle and fundraising competition on Saturday, August 23rd, at 6:00 pm at the downtown Greenville Theatre on College Street.

The unique event will include local survivors, Upstate Celebrities, and a diverse group of community leaders and CSPA supporters lip syncing and dancing with their teams to many of your favorite tunes! Performers will compete for the individual and team fundraising titles and will be coached by professional dancing instructors from Lindley Mayer Gulledge’s SHOCK dance theatre. Sync for Survivors will be an engaging and interactive event.
